Dear Ms. Wilkins:

This letter is in response to your inquiry of June 7, 2001 regarding the amendment to the Credit Union Legislative Action Council's Year-End Report for 2000.

Schedule B of this report omitted the office sought. We apologize for this error and have corrected it on the enclosed amendment.

In addition, please note that our Treasurer and address have changed. The correct information was submitted on a new Statement of Organization and does appear on the FEC website. Please utilize our new address and treasurer in your correspondence, as it will expedite our response.

If you have any further questions, please contact Karen Kincer at 202-682-4200.

Thank you

Richard Gose  
Assistant Treasurer
